

GAGLE'S HEATING

Heating • Air Conditioning

Mission | Focus | Service

At Gagle's, we aim to be your first choice for home comfort.

Our team provides honest, reliable advice and expert service, so you get the best value for your HVAC investment.

We follow strict national industry standards, ensuring your heating and cooling system is in responsible hands. Our technicians are tested and certified by North American Technician Excellence (NATE), and our maintenance plans follow ENERGY STAR® recommendations and national residential maintenance standards.

Our goal is to provide a level of service so exceptional that you will proudly recommend us to your neighbors.

GAGLE'S HEATING

Heating • Air Conditioning

Dirt and neglect are the top causes of heating and cooling system inefficiency and failure. To ensure energy-efficient system operation, it is important to perform routine maintenance. Proper maintenance by a qualified technician is one of the most important steps you can take to prevent future problems. Visit energystar.gov for more information.

Key Benefits Of Regular Maintenance:

- ✓ Prolongs equipment efficiency
- ✓ Promotes healthy, clean air
- ✓ Supports lower utility costs
- ✓ Guards against unexpected failures
- ✓ Extends equipment life

100% SATISFACTION GUARANTEED

- ✓ Your technician will be professional, uniformed, and qualified to work on your equipment.
- ✓ We will take extraordinary care in your home.
- ✓ We will provide you with a written quote for repairs before we start any work.
- ✓ Our technicians will follow a stringent quality assurance task list to ensure a complete and thorough service each and every time.

Program Benefits

- ✓ 21-Point Inspection (2 visits per year)
- ✓ Reminder Service
- ✓ Priority Status
- ✓ No Overtime
- ✓ Preseason Scheduling
- ✓ Monthly Payment Option
- ✓ Quality Assurance Inspection and Cleaning
(meets ENERGY STAR® recommendations)

Investment: \$289 | Monthly Investment: \$24
